

THE GIN & TONIC BAR

- G1 Alkemist 45.0**
From Spain. With 21 different botanicals, including sweet and fragrant Muscat grapes, rose petals, thyme, mint and fennel.
- G2 Chase Pink Grapefruit 45.0**
Pomelo and grapefruit peels are added to the base dry gin to make this fresh and zesty gin. Full-bodied with a touch of sweetness.
- G3 Elephant Dry Gin 40.0**
Made in Germany using 14 botanicals, 5 of which come from Africa – Baobab fruit, Buchu plant (similar to blackcurrant), African Wormwood, Lion's Tail and Devil's Claw. Subtle juniper aroma with undertones of mountain pine and herbal notes. 15% of bottle profits go to elephant conservation charities.
- G4 Herno Dry 40.0**
Smooth but complex. From Sweden. Infused with organic botanicals of juniper, coriander seeds, lemon zest, lingon berries, black pepper, cassia & vanilla.
- G5 Herno Sloe 40.0**
A ruby red dream infused with organic sloe berries. Sweetened with local Scandinavian honey.
- G6 Porter's Modern Classic 40.0**
Elevated by the hard-to-come-by citrus called Buddha's Hand which has a flavour that is between lemon and grapefruit sherbet. Well-balanced, juniper-led and with a smooth citrus profile.
- G7 Porter's Tropical Old Tom 40.0**
Classic juniper based lifted by tropical notes of passion fruit, guava and white tea. Cold distilled to retain their juicy freshness.
- G8 Rock Rose Navy Strength ABV 57% 40.0**
From North Scotland, this wonderfully floral gin gets its name from the Rhodiola Rosea or rock rose. Other locally foraged botanicals in the gin include rowan berries, sea buckthorn and verbena.
- G9 Widges London Dry 40.0**
Pine & citrus notes with orange peel and hint of cardamom.
- G10 Hendricks 40.0**
Traditional juniper infusion with cucumber & Bulgarian rose for added flavour.
- G11 The Botanist 40.0**
22 more delicate Islay aromatic leaves and petals are added onto the 9 base botanicals.
- G12 Boodles British Gin 30.0 (Special promo)**
Begins as a clean spirit distilled from British wheat and then infused with a number of traditional herbs and spices including nutmeg, sage, and rosemary.
- G13 Darnleys Original 30.0 (Special Promo)**
Inspired by elderflower growing wild around the Wemyss family estate in Scotland. A light, floral, citrus flavoured gin in the London Dry Style.
- G14 Bobby's Schiedam Dry (Dutch) 40.0**
Unique with Indonesian botanicals and spices – lemongrass, cloves, coriander, cubeb pepper and cinnamon giving Bobby's a unique flavour profile whilst juniper, fennel seeds and rose hips give a perfectly balanced dry gin
- G15 Sorgin Small Batch Sauvignon (Bordeaux, France) 40.0**
A complex gin that highlights the aromatics of juniper berries and Sauvignon Blanc, along with underlying fruity and herbaceous nuances.
- G16 Sorgin Yellow 45.0**
Original Small Batch aged in freshly emptied Sauvignon Blanc casks for 6 months resulting in a yellow-tinged gin. The ageing brings some gorgeous tropical fruit notes over the sauvignon blanc aromas, adding notes of passionfruit, mango.
- G17 Bols Genever (Dutch) 40.0**
Distilled from a malt wine grain base composed of wheat, rye and corn that were fermented alongside juniper berries. 22(!) botanicals are present in total. It is then rested in oak for a minimum of eighteen months before bottling.
- G18 Four Pillars Rare Dry (Yarra Valley, Australia) 40.0**
Everything the Four Pillars distillers make is based around their four pillars – the still, the water, the botanicals and love. It's sort of a bit like the four elements of hip hop.
- Pillar 1 – The Four Pillars copper-pot still is called Wilma. Pillar 2 – The water they use from Yarra Valley is triple filtered. Pillar 3 – They use some local botanicals (Tasmanian pepperberry, lemon myrtle), some exotic botanicals (cinnamon, cardamom, coriander seeds and star anise) and some classic botanicals (juniper, lavender, angelica root), as well as whole oranges to give Four Pillars Gin its flavour profile. Pillar 4 – The distillers love what they do and love what they have made.
- G19 Four Pillars Bloody Shiraz 45.0**
Innovative gin made by steeping whole Shiraz grapes from the Yarra Valley in the distillery's high-strength Rare Dry Gin for eight weeks. The result is a gin with notes of juniper, spice and raspberries that goes well with tonic or soda.
- G20 Four Pillars Spiced Negroni 45.0**
Highly aromatic, rich and (yes) spicy with great power and intensity. Use of West African spice grains of paradise and Indonesian cubeb to up the ante.
